Audiobooks from the Library

for MP3 Players

- Works with iPod, SanDisk Sansa, and other MP3 players.

- 1 On your computer, download the OverDrive Media Console installer at overdrive.com/software/omc.

Choose your computer type and click Download Now. Run the installer and follow the prompts.

- 2 To browse the Library's collection of eBooks, visit: <http://dlc.CLEVNET.org>
Sign in with your library card number (10009...).

- 3 You can search books by title, author or genre using the search box at the top. To see all titles the Library offers for eReaders, select **Advanced Search**.

Go to the **All Formats** menu and choose **All Audiobooks** in the dropdown list.

- 4 If an item says **Borrow**, it is available to download. If an item is unavailable, you may select **Place a Hold**. You will then receive an email when the title is available.

Check the list of **Available Formats** on the right to ensure that the title is compatible with your device.

Available formats

OverDrive MP3 Audiobook

OverDrive WMA Audiobook

To check your device's compatibility, please visit the OverDrive Device Resource Center:

<http://www.overdrive.com/drc/>

- 5 After you select your book, you will see your **Bookshelf**. Click **Download** to the right of your audiobook cover and choose the format most suitable for your device.

The Hunger Games
Suzanne Collins

Then click **Confirm & Download**.

- 6 OverDrive Media Console will prompt you for a place to save the title and a list of parts to be downloaded. If you want to download the entire title, leave all parts checked, click **OK** and the title will begin downloading.
- 7 Plug your MP3 player into your computer. Click the **Transfer** button and follow the prompts to copy the title to your device.
